## ABOUT RAJA RANI

- Raja Rani is a leading institute dedicated to stitching and fashion designing. Known for its innovative teaching methods, we aim to empower students with skills that enable them to excel in the fashion industry. With over 2 million learners across India, we provide comprehensive training that blends creativity, precision, and practical knowledge.
- Raja Rani has also gained national recognition by being featured on Shark Tank India, where its innovative approach to skill-based education was highly appreciated. This milestone highlights our commitment to transforming lives and setting new benchmarks in the stitching and fashion industry.
- Our mission is to help students confidently start their own boutiques, expand their expertise, and turn their dreams into reality.
- At Raja Rani, we are **transforming lives**, one stitch at a time.

## About The FASHION SHOW

- On 11th October 2025, the grand finale of the Fashion Designing Full Course (FDFC) will come to life with a spectacular Fashion Show, uniting over 800 aspiring designers from across India. This highly anticipated event marks the culmination of months of dedicated learning, hands-on training, and creative innovation.
- The show will spotlight student talents in fashion design, blouse making, and garment construction, offering them a professional platform to present their unique creations on the runway.
- More than just a showcase, this Fashion Show is a celebration of ambition, culture, and artistry. It serves as a powerful space for networking, idea exchange, and inspiration—bringing together students, mentors, industry leaders, and fashion enthusiasts under one roof.

For sponsors, this event offers a unique opportunity to align with the next generation of fashion talent, gain visibility among a style-savvy audience, and be part of a movement that's shaping the future of Indian fashion.
